## Subscription Details and Pricing

Subscriptions are based on site-wide licensing. All users at one company site have access to the AllRegs Education Package, with unlimited access to self-study online courses and recorded audio programs. The annual subscription rate for one location is \$600.

Discounts for multiple site subscriptions are available. Call your Regional Account Executive at (800) 848-4904 for details.

*NOTE: From the time of enrollment, you have until the end of your 12-month subscription period to complete each course and access the recorded audio programs, take the final course exam and download your industry-recognized certificate of completion when you pass the courses you wish to take. All courses must be completed by the last day of the subscription period, as access to courses will terminate on this date.*
